LANE CLOSURE ON ORANGE STREET FOR THE INTERSTATE 10 WIDENING PROJECT WILL CONTINUE ON JANUARY 23

The Interstate 10 widening project in Redlands will require the continued closure of lanes on Orange Street for the reconstruction of this freeway bridge. Orange Street will continue to be reduced to one lane in each direction on January 23, from 6:30 a.m. to 3:30 p.m.

The lane closures are necessary to allow for bridge widening activities. Crews will be anchoring the Orange Street bridge by driving steel beams into the ground, a process that will generate repetitive noise and vibrations throughout the day. Residents and business operators in the area may be affected by this work.

Please drive carefully through the construction areas and follow all posted signs. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the SANBAG website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
